

# Would you like to help improve the lives of people with learning disabilities?

By booking to see our **learning disability awareness** video, you will learn.....

- ✓ What sort of difficulties people with learning disabilities face?
- ✓ What 'reasonable adjustment' means?
- ✓ How you can improve communication with people with learning disabilities
- ✓ How by signposting people to CLASP you will help people with learning disabilities.....
- ✓ form friendships and reduce isolation
- ✓ Be part of a valuable support network with regular educational workshops and signposting to appropriate services

Our **Learning Disability Awareness training** will be presented to you by our award winning Listen To Us training group. There will be an opportunity for you to ask an expert by experience any questions you may have.

The training lasts just 20 minutes and can be delivered face to face or online.

The training is free of charge, however a donation to our charity would be very much appreciated.
